

'Talk About It' is the nation's first and only anonymous online messaging and emergency notification service for schools.

POWERED BY ANCOMM

Pricing

AnComm's 'Talk About It' pricing model is composed of a flat annual licensing fee that includes set up, ongoing maintenance and free upgrades when new features such as Global Alert Emergency Notification are made available during the school year. This includes the use of the service by all students and designated staff and full ongoing service and support. There are NO additional costs.

For training and roll-out, AnComm offers an optional program for schools that prefer to have AnComm representatives manage the roll-out of the 'Talk About It' anonymous online messaging service
